WHO WE ARE

Crafting Excellence in Custom Furniture for Over Two Decades

Drapes Interio stands as a trusted name in the custom furniture manufacturing industry, proudly based in Dubai and serving the UAE and GCC markets for over 20 years. With an impressive portfolio of more than 1,000 successfully completed projects, our experience spans across:

100+ prestigious hotel developments

250+ restaurant interiors, blending functionality with aesthetic appeal

Numerous high-end residential spaces, designed with a keen eye for detail and luxury

What sets Drapes Interio apart is our **end-to-end approach** to furniture production. Our **dedicated furniture studio in Dubai** offers designers and clients a hands-on experience—enabling prototype reviews, quality checks, and seamless coordination during every project phase. Complementing this is **our cutting-edge manufacturing facility in Umm Al Quwain**, which is equipped to handle both large-scale hospitality and commercial projects, as well as **bespoke, one-of-a-kind pieces**.

With a team of skilled artisans, technicians, and project specialists, we are committed to delivering **exceptional craftsmanship, timely execution, and innovative solutions** that align with each client's vision and brand identity.

At Drapes Interio, every piece we create is a blend of **precision, passion, and purpose**—reflecting our mission to elevate interiors through quality custom furniture.
